Notice: Security, privacy, and administrative reasons preclude a complete list of awards recipients. Agencies with a requirement to verify valor award recipients should contact the appropriate military service. If you believe this list to be in error or if you would like your name removed from this list, please use the Military Service contact information provided under the "Contact Us" link on the DoD Valor Website (<http://valor.defense.gov/>) to submit your concern to the appropriate Military Service.

The sole purpose of the information provided through the DoD Valor Website is to publicly recognize those U.S. military members who are recipients of a Medal of Honor, Service Cross, or Silver Star. This information is based on awards reporting made available to the Military Departments. In making this information public, DoD does not represent that all those members who are entitled to wear the subject awards are identified. The public should not rely on this information as a definitive identification of all those members who are recipients of the subject awards. Specifically, the information made available through the DoD Valor Website should not be used to confirm whether or not an individual was awarded the subject awards for any purpose. DoD disclaims any liability arising from reliance on the information on this website.

Army Air Corps/Army Air Forces/U.S. Air Force members recognized for actions prior to 1 July 1948 are listed as Army members; on/after 1 July 1948 they are listed as Air Force members.

Members listed multiple times were recognized for valor the number of times listed. For example, a Soldier whose name is listed twice on the Army's Distinguished Service Cross list was awarded the Distinguished Service Cross for two separate acts.

Listed names are the names of the members reflected in official military records.
